Public Health Educator IV
(Temporary, \$3,798/month)

Coordinates activities and manages budget and grant reporting for the 3-year federally funded suicide prevention training grant that focuses on youth.

Minimum Qualification Requirements

Basic Education Requirement:

Graduation from an accredited four (4) year college or university with a bachelor's degree. Excess work experience as described under the Specialized Experience Requirement below, or any other progressively responsible administrative, professional or analytical work experience which provided knowledge, skills and abilities comparable to those acquired in four (4) years of successful study while completing a college or university curriculum leading to a baccalaureate degree may be substituted on a year-for-year basis. To be acceptable, the experience must have been of such scope, level, and quality as to assure the possession of comparable knowledge, skills and abilities. The education or experience must also demonstrate the ability to write clear and comprehensive reports and other documents; read and interpret complex written material; and solve complex problems logically and systematically.

Specialized Experience Requirement:

Three (3) years of progressively responsible professional experience in community health education which involved educating the public in the prevention of disease and other unhealthy conditions, and working as a consultant to other professionally trained individuals such as physicians, nurses, social workers and teachers.

Such experience, which involved community organization, public and professional education and training, advocacy, program planning and evaluation, and community injury prevention, is preferred.

Substitutions Allowed:

1. A master's degree in public health education from an accredited college or university may be substituted for two (2) years of the Specialized Experience.
2. A doctoral degree in public health education, or a closely related field from an accredited college or university may be substituted for three (3) years of the Specialized Experience.
